UNLEASH YOUR POTENTIAL AT ITM UNIVERSITY GWALIOR

Immerse yourself in a vibrant learning experience at ITM University Gwalior, a multidisciplinary university nestled amidst a lush green campus adorned with artistic sculptures. We offer a diverse range of programs in engineering, AI, cybersecurity, management, agriculture, pharmacy, nursing, education, and more.

ITM University distinguishes itself through its experiential learning approach. Our pedagogy is expeditionary, incorporating activity-based learning, project-based learning, problem-based learning, and real-world industrial projects. This ensures you graduate with not just theoretical knowledge, but practical skills and industry preparedness.

In fields like nursing and agriculture, learning is further enhanced by clinical practices in renowned hospitals and hands-on experiences through RAWE and ELP programs. What's more, we believe that Artificial Intelligence is a cornerstone of future careers. Therefore, at ITM University Gwalior, AI learning is integrated into all our programs.

We go beyond academics, fostering holistic development by weaving Indian knowledge systems into our curriculum. Specially crafted courses and signature programs introduce you to this rich heritage, alongside contemporary disciplines. This unique blend equips you to be a well-rounded graduate who understands your roots while embracing the future.

We host engaging events like international sculpture symposium, Indian dance festivals, classical music concerts, and theatre festivals. These initiatives ensure students graduate as a responsible citizen with a strong cultural identity.

At ITM University, we understand the importance of industry collaboration. Our strong network of partners, established through MoUs signed which connects you with leading companies like Celonis, Alteryx, AWS, Blue Prism, Microchip, Jk Tyre, and medical colleges. These collaborations span diverse sectors, with a focus on emerging fields like deep learning, and semiconductors. Dedicated Centers of Excellence further strengthen these partnerships, providing unparalleled exposure to industry practices.

Beyond academics and industry connections, ITM University offers state-of-the-art sports facilities conforming to international standards. Enjoy playing football, athletics, basketball, handball, badminton, or work out in our well-equipped gym.

ITM UNIVERSITY GWALIOR: WHERE INNOVATION MEETS EDUCATION

ITM University stands out from the crowd through its unique approach to education. Here's a glimpse into what sets them apart:

AI Across the Curriculum: ITM University integrates Artificial Intelligence (AI) into various courses. This prepares students for the future workforce, giving them a competitive edge in a world increasingly reliant on AI.

Holistic Development Through Signature Events: Beyond academics, ITM focuses on the well-being and personality development of its students. They achieve this through unique signature events that encourage creativity, teamwork, and leadership skills.

A Wealth of Resources: ITM provides students with a rich learning environment. This includes a well-stocked library, cutting-edge laboratories, and access to online resources.

Lush Green Oasis: The university boasts a picturesque, sprawling green campus, offering a serene and stimulating atmosphere for learning.

A Campus Adorned with Art: ITM's campus is infused with sculptures, creating an inspiring and aesthetically pleasing environment that fosters creativity and appreciation for art.

Quality Placements: The university has a strong track record of placing its graduates in top companies. Their industry-oriented curriculum and focus on practical skills prepare students for successful careers.

State-of-the-Art Labs: ITM equips students with the latest technology by providing them with cutting-edge laboratories. This allows for hands-on learning and experimentation in various fields.

Industry Interaction and Training: The university facilitates close interaction with industry leaders. This allows students to gain valuable insights into the professional world and participate in industry training programs, giving them practical experience.

ITM University's commitment to innovation, holistic development, and industry preparedness makes it a unique and attractive option for students seeking a well-rounded education that prepares them for success in the 21st century.

SCHOOL OF AGRICULTURE

Approved by

भारत सरकार
ICAR

The School of Agriculture of ITM University Gwalior was started during the year 2013, looking to the ample scope of agricultural development in the nation. The School is accredited with Indian Council of Agricultural Research (ICAR), New Delhi and offers various undergraduate and postgraduate degree programs. The undergraduate programs are completely aligned with V Deans' committee report while the postgraduate programs have been aligned with "Restructured and Revised Syllabi of Post-graduate Programs" finalized by BSMA (BSMA) Committees to comply with various provisions of National Education Policy-2020. The programs under the school have completely updated and structured to include the courses pertaining to discipline specific and generic elective, ability enhancement courses, skill enhancement courses and value-added courses to inculcate the entrepreneurial skills, managerial skills, critical thinking, communication skills, human values and ethics and the desired program outcomes.
