RESOURCES AVAILABLE

Library: The School of Nursing Sciences at ITM University library often has extensive collections of nursing textbooks, journals, magazines, and other relevant resources, both in print and online. Access to digital library resources and management systems is available through subscription services like Web of Science. It also offers plagiarism checking tools, such as Turnitin, to ensure academic integrity.

LMS/MIS: ITM University has its own LMS platform that can supplement classroom learning or help you delve deeper into specific topics.

Clinical Facilities: The ITM Hospital and Research Centre is a well-equipped, 300-bed hospital with NABH accreditation. The Institute of Nursing Science Studies & Research (INSSR) is affiliated with various well-established hospitals such as the J.A. Group of Hospitals, District Hospital Morar, District Hospital Hazira, and District Hospital Dabra, which collectively provide more than 1500 beds.

Laboratory Facilities: The School of Nursing typically has well-equipped laboratories where students can gain hands-on patient care experience on mannequins and through various advanced simulators, which are relevant to their field of study.

Community Services: INSSR provides community services in primary health centres and community health centres to enhance the health of the general population, especially in rural areas.

Career Services: University career services offer support for resume building, interview preparation, internship and job searches, and career counselling.

Research Opportunities: The School of Nursing Sciences offers undergraduate and post graduate research opportunities where students can work with faculty members on translational & cutting edge health care research projects. Participating in research can provide valuable experience and enhance your understanding of the health care field.

PLATINUM Engineering & Management

"CELEBRATING DREAMS"

SCHOOL OF NURSING SCIENCE

UNLEASH YOUR POTENTIAL AT ITM UNIVERSITY GWALIOR

Immerse yourself in a vibrant learning experience at ITM University Gwalior, a multidisciplinary university nestled amidst a lush green campus adorned with artistic sculptures. We offer a diverse range of programs in engineering, AI, cybersecurity, management, agriculture, pharmacy, nursing, education, and more.

ITM University distinguishes itself through its experiential learning approach. Our pedagogy is expeditionary, incorporating activity-based learning, project-based learning, problem-based learning, and real-world industrial projects. This ensures you graduate with not just theoretical knowledge, but practical skills and industry preparedness.

In fields like nursing and agriculture, learning is further enhanced by clinical practices in renowned hospitals and hands-on experiences through RAWE and ELP programs. What's more, we believe that Artificial Intelligence is a cornerstone of future careers. Therefore, at ITM University Gwalior, AI learning is integrated into all our programs.

We go beyond academics, fostering holistic development by weaving Indian knowledge systems into our curriculum. Specially crafted courses and signature programs introduce you to this rich heritage, alongside contemporary disciplines. This unique blend equips you to be a well-rounded graduate who understands your roots while embracing the future.

We host engaging events like international sculpture symposium, Indian dance festivals, classical music concerts, and theatre festivals. These initiatives ensure students graduate as a responsible citizen with a strong cultural identity.

At ITM University, we understand the importance of industry collaboration. Our strong network of partners, established through MoUs signed which connects you with leading companies like Celonis, Alteryx, AWS, Blue Prism, Microchip, Jk Tyre, and medical colleges. These collaborations span diverse sectors, with a focus on emerging fields like deep learning, and semiconductors. Dedicated Centers of Excellence further strengthen these partnerships, providing unparalleled exposure to industry practices.

Beyond academics and industry connections, ITM University offers state-of-the-art sports facilities conforming to international standards. Enjoy playing football, athletics, basketball, handball, badminton, or work out in our well-equipped gym.

ITM UNIVERSITY GWALIOR: WHERE INNOVATION MEETS EDUCATION

ITM University stands out from the crowd through its unique approach to education. Here's a glimpse into what sets them apart:

AI Across the Curriculum: ITM University integrates Artificial Intelligence (AI) into various courses. This prepares students for the future workforce, giving them a competitive edge in a world increasingly reliant on AI.

Holistic Development Through Signature Events: Beyond academics, ITM focuses on the well-being and personality development of its students. They achieve this through unique signature events that encourage creativity, teamwork, and leadership skills.

A Wealth of Resources: ITM provides students with a rich learning environment. This includes a well-stocked library, cutting-edge laboratories, and access to online resources.

Lush Green Oasis: The university boasts a picturesque, sprawling green campus, offering a serene and stimulating atmosphere for learning.

A Campus Adorned with Art: ITM's campus is infused with sculptures, creating an inspiring and aesthetically pleasing environment that fosters creativity and appreciation for art.

Quality Placements: The university has a strong track record of placing its graduates in top companies. Their industry-oriented curriculum and focus on practical skills prepare students for successful careers.

State-of-the-Art Labs: ITM equips students with the latest technology by providing them with cutting-edge laboratories. This allows for hands-on learning and experimentation in various fields.

Industry Interaction and Training: The university facilitates close interaction with industry leaders. This allows students to gain valuable insights into the professional world and participate in industry training programs, giving them practical experience.

ITM University's commitment to innovation, holistic development, and industry preparedness makes it a unique and attractive option for students seeking a well-rounded education that prepares them for success in the 21st century.

SCHOOL OF NURSING SCIENCE

The Institute of Nursing Science Studies and Research (INSSR) is one of the oldest Institutes of the Gwalior region which was started in the year 2002. However, INSSR has come under the umbrella of ITM University Gwalior since the year 2011.

The Institute is approved by the Government of Madhya Pradesh and is a recipient of accreditation from the Indian Nursing Council and State Nursing Council.

The INSSR offers bachelor's and master's programs in nursing science, striving to achieve the noble aim of nursing education through its stated objectives. These objectives are implemented during the training of future nurses, imparting knowledge of the techniques and methods used in nursing practice, making students understand the intricacies of nursing care, and developing the skills and necessary aptitudes for planning and implementing comprehensive nursing care. INSSR has full-fledged laboratories and a highly advanced simulation lab, which can elevate hands-on experience to the next level. The School of Nursing makes ITM University the perfect platform for extensive health care research.
