

Suraj Sharma

Professional Profile

Suraj Sharma is an Assistant Professor in the Department of Computer Science & Engineering at ITM University, Gwalior, with over three and a half years of teaching and research experience. He is currently pursuing a Ph.D. while actively contributing to academic excellence through teaching, research, student mentoring, and institutional development.

He completed his M.Tech. in Computer Science & Engineering from MITS Gwalior with distinction and earned his B.Tech. in Computer Science & Engineering from SRM University, Chennai. His research interests include Machine Learning, Artificial Intelligence, Deep Learning, Internet of Things (IoT), Cyber Security, Medical Image Analysis, Data Analytics, and Intelligent Transportation Systems.

Suraj Sharma has published numerous research papers in Scopus-indexed IEEE international conferences, ESCI-indexed journals, and reputed international publications. He has authored book chapters with CRC Press (Taylor & Francis) and has additional publications under review. He is also the recipient of multiple copyrights in the fields of Machine Learning, Artificial Intelligence, and Natural Language Processing.

He serves as a reviewer for IEEE international conferences and is a Professional Member of IEEE and a Life Member of IAENG. He has organized Faculty Development Programs and workshops in collaboration with IIT Roorkee and has contributed to Cyber Security awareness and Data Analytics training initiatives.

At ITM University, he has undertaken several academic responsibilities including Research Cell Co-Coordinator, Time Table Coordinator, NAAC Criteria-6 Committee Member, and Student Mentor. He is committed to promoting quality education, interdisciplinary research, innovation, and outcome-based learning while guiding students towards academic excellence and professional growth.
