

NOTICE

Registration for ITM Placement Accelerator Program (Jan–June 2026)

Date: 20/06/2026

This is to inform all **Final-Year B.Tech students** that the **Training Cell** is organizing the **ITM Placement Accelerator Program**, a **20-day industry-oriented bootcamp** designed to strengthen coding skills, improve online assessment performance, and enhance interview readiness for campus placements.

The program focuses on preparing students for product-based and service-based company recruitment through structured training, coding practice, mock assessments, and expert mentorship.

Registration Details

Students are required to register through the **official Training Cell registration link/Parakh Portal** within the prescribed registration period.

Important Instructions

- Registration is **mandatory** for participation in the training programs.
- Students must ensure **regular attendance** in all sessions.
- Regular attendance and coding practice are compulsory.
- **Batch allocation** will be done based on registration and pre-assessment (if applicable).
- Students who register but fail to attend may be **subject to penalty** as per university norms.

Outcome of the Training

- Improved coding speed and problem-solving ability.
- Better performance in online coding assessments.
- Enhanced technical and HR interview confidence.
- Strong understanding of industry recruitment patterns.
- Increased placement readiness for leading product and service-based companies.
