8th Innovation Summit

We are thrilled to announce that the School of Management at ITM University will host the **8th Innovation Summit** on **January 24 and 25, 2020**. This summit is a premier event designed to bring together industry leaders, students, and faculty members to explore the latest trends in innovation and management.

Event Details

Event: 8th Innovation Summit

Dates: January 24-25, 2020

Venue: Ustad Allauddin Khan Auditorium, LDV Block, ITM University, Gwalior

The Innovation Summit is a flagship event for our School of Management, serving as a vital platform for fostering creativity, stimulating thought leadership, and gaining a comprehensive understanding of various industry challenges and opportunities. This event provides a unique opportunity to hear from and interact with distinguished experts who are at the forefront of industry innovation.

Objectives

- **Explore Latest Trends:** Gain insights into the current trends and future directions in innovation and management.
- **Foster Creativity:** Engage with industry leaders and thought leaders to inspire innovative thinking and solutions.
- **Networking Opportunities:** Connect with professionals, faculty members, and peers to build a strong network in the management field.

Your participation is highly encouraged as it offers a significant opportunity to expand your knowledge, engage with industry leaders, and gain insights essential for your academic and professional growth. We look forward to your active involvement in making this summit a success. For more information kindly contact **Mr. Amol Mutatkar**.

8th Innovation Summit

The 8th Innovation Summit, hosted by the School of Management at ITM University, Gwalior, on January 24-25, 2020, was a resounding success. It offered a platform for industry leaders, students, and faculty members to converge and explore the latest trends in innovation and management. The summit aimed to foster creativity, stimulate thought leadership, and provide a comprehensive understanding of various industry challenges and opportunities. This report provides an overview of the summit, highlighting the key speakers, themes, and learning outcomes.

Fig. Inaugural and Valedictory Session of the 8th Innovation Summit

Importance of the Event

The Innovation Summit is a flagship event for the School of Management at ITM University, serving as a catalyst for innovation and leadership in the business world. The summit brings together a diverse group of experts who share their knowledge and experiences, thus inspiring students and professionals to push the boundaries of creativity and thought. By exploring current industry trends and innovations, the summit plays a crucial role in equipping attendees with the skills and insights needed to navigate the complexities of the modern business environment.

Event Highlights

The two-day event was inaugurated by prominent figures from academia and industry. The summit featured a series of keynote speeches, panel discussions, and interactive sessions, which provided participants with an opportunity to engage with experts and gain practical

insights into various fields. The main themes revolved around innovation strategies, technological advancements, and the integration of mindfulness in business practices.

Fig. Eminent Speakers Sharing Their Thoughts with the Students during Innovation Summit

Keynote Sessions and Speakers:

1. **Dr. Vinay Dabholkar** - An independent consultant specializing in design thinking, innovation strategy, and mindfulness. Dr. Dabholkar's session focused on the importance of integrating mindfulness into innovation processes to enhance creativity and problem-solving skills. His extensive experience as an author and visiting faculty at prestigious institutions like IIM-Bangalore and IIT Bombay enriched the discussion.
2. **Mr. Abhijeet Patil** - Head of sales at Great Lakes E-learning Services Pvt. Ltd., Bangalore, specializing in professional programs such as Artificial Intelligence and Machine Learning. A noted TEDx speaker, Mr. Patil shared insights on the future of AI and the transformative potential it holds for various industries.
3. **Mr. Praveen Singhal** - Co-founder of Witty Feeds, with expertise in social media, content management, and traffic acquisition. Mr. Singhal's talk emphasized the critical role of social media in content distribution and audience engagement, offering practical advice on leveraging these platforms effectively.

4. **Mr. Abhinav Kumar** - With over two decades of experience in aerospace, smart cities, and security domains, Mr. Kumar provided a comprehensive overview of the latest trends in these fields, drawing from his work with HAL, TATA Advanced Systems Ltd., and Reliance Industries.
5. **Ms. Shalu Manan** - An industry leader with 19 years of experience in top management positions at GE and Genpact. Ms. Manan's session focused on organizational performance and the importance of leadership in driving innovation and operational excellence.
6. **Captain Vipul Sharma** - A former Indian Army officer currently working with Mitsubishi Heavy Industries, overseeing HR, general management, and IT. Captain Sharma's talk provided valuable insights into the intersection of military leadership and business management.

Fig. Experts Interacting with the Students during 8th Innovation Summit

Key Themes and Sub-themes

1. Design Thinking and Innovation Strategy:

- Emphasis on creative problem-solving techniques and the application of design thinking to develop innovative business solutions.
- Exploration of strategic frameworks for fostering a culture of innovation within organizations.

2. Artificial Intelligence and Machine Learning:

- Insights into the latest advancements in AI and ML technologies and their potential to revolutionize various industries.
- Discussions on ethical considerations and the impact of AI on the future workforce.

3. **Social Media and Digital Marketing:**

- Strategies for effective content management and audience engagement in the digital age.
- The role of social media in shaping consumer behavior and brand perception.

4. **Organizational Performance and Leadership:**

- The significance of leadership in driving organizational change and fostering a culture of excellence.
- Best practices for enhancing employee engagement and performance management.

5. **Human Resource Management:**

- The role of HR in talent acquisition, development, and retention in a dynamic business environment.
- Strategies for managing workforce diversity and promoting inclusive workplace practices.

6. **Innovation in Aerospace and Smart Cities:**

- Trends and challenges in the aerospace industry and the development of smart city solutions.
- The integration of advanced technologies in urban planning and infrastructure development.

Student Engagement and Learning Outcomes

The summit provided students with a unique opportunity to interact with industry leaders and gain firsthand knowledge of current trends and challenges in various fields. Through engaging keynote sessions and interactive discussions, students were encouraged to think critically and apply innovative approaches to real-world problems. The event also facilitated networking opportunities, allowing students to connect with professionals and explore potential career paths.

Key Learning Outcomes:

- Enhanced understanding of innovation strategies and their application in different industries.

- Practical insights into the use of AI and digital technologies to drive business growth.
- Greater appreciation for the role of leadership and organizational culture in fostering innovation.
- Exposure to diverse perspectives on social media, content management, and digital marketing.
- Understanding of the challenges and opportunities in aerospace and smart city development.

Conclusion

The 8th Innovation Summit at ITM University was a significant success, bringing together a diverse group of speakers and participants to explore the latest trends in innovation and management. The event not only provided valuable insights and knowledge but also inspired attendees to pursue innovative approaches in their respective fields. Moving forward, it is recommended that similar initiatives be continued to bridge the gap between academia and industry, fostering a culture of innovation and excellence within the university community.
