9th Innovation Summit

We invite you to the 9th Innovation Summit 2021, organized by the ITM School of Management at ITM University, Gwalior. The summit will be held online on February 25-26, 2021.

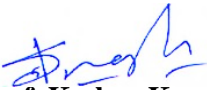

This year, the summit will focus on the theme “Opportunities and Challenges for Business due to COVID-19,” addressing the critical impacts of the pandemic on various industries. This event aims to unite a diverse group of distinguished speakers, industry professionals, faculty, and students, providing a platform for exploring innovative solutions and strategies in the current global crisis.

The summit will feature an impressive lineup of speakers sharing their expertise on various aspects of business, technology, and social impact. Each session is designed to provide valuable insights into how different sectors have been affected by COVID-19 and the innovative approaches adopted to address these challenges.

Highlights of the summit include:

- Keynote addresses by industry leaders
- Panel discussions on the impact of COVID-19 on various industries
- Interactive sessions with experts on innovative solutions and strategies
- Networking opportunities with professionals and peers

Your participation is highly encouraged as it offers a significant opportunity to expand your knowledge, engage with industry leaders, and gain insights essential for your academic and professional growth. We look forward to your active involvement in making this summit a success. For more information, kindly contact **Mr. Amol Mutatkar**.

Importance of the Event

Innovation is the cornerstone of progress and competitiveness in today’s rapidly changing world. The 9th Innovation Summit aimed to inspire and equip participants with the knowledge and insights necessary to navigate the challenges posed by the COVID-19 pandemic. By facilitating the exchange of ideas and best practices, the summit played a crucial role in fostering a culture of innovation and resilience within the business community. The event underscored the importance of adaptability and creative problem-solving in overcoming the unprecedented disruptions caused by the pandemic.

Event Highlights

The summit featured an impressive lineup of speakers who shared their expertise on various aspects of business, technology, and social impact. Each session provided valuable insights into how different sectors have been affected by COVID-19 and the innovative approaches being adopted to address these challenges.

Fig. Mr. Keshav Kansana Welcoming Guests During Inaugural of Innovation Summit

Keynote Sessions and Speakers

1. **Mr. Neeraj Khandekar** - *Vice President, Business Development & Commercial (Conventional), CLP India Private Limited*
 - **Topic:** Impact of COVID-19 on the Energy Sector
 - **Highlights:** Mr. Khandekar discussed the significant disruptions in the energy sector due to the pandemic, including the challenges of maintaining operational efficiency and stability in power generation and transmission. He emphasized the need for innovation in project development and management to ensure resilience and sustainability in the energy sector.

2. **Ms. Aditi Chaurasia** - *Co-founder of EngineerBabu*
 - **Topic:** Effect of COVID-19 on Online Start-ups
 - **Highlights:** Ms. Chaurasia shared her experiences as an entrepreneur in navigating the challenges posed by the pandemic on online businesses. She highlighted the acceleration of digital transformation and the increased demand for tech-driven solutions in the start-up ecosystem. Her insights provided valuable lessons for aspiring entrepreneurs on leveraging technology to drive business growth and resilience.

3. **Ms. Aditi Mutatkar** - *Head - Women in Sports' Initiative, Simply Sports Foundation*
 - **Topic:** Operation Models of Not-for-Profit Organizations
 - **Highlights:** Ms. Mutatkar discussed the unique challenges faced by not-for-profit organizations during the pandemic, particularly in the sports sector. She emphasized the importance of innovative operational models and partnerships to sustain their

mission and impact in a rapidly changing environment. Her talk underscored the role of leadership and strategic planning in navigating crises.

4. **Mr. Mudit Dandwate** - *Co-founder & CEO of Dozee*

- **Topic:** Emerging Technologies in Healthcare
- **Highlights:** Mr. Dandwate provided insights into the transformative potential of artificial intelligence in healthcare, particularly in remote health monitoring. He discussed how Dozee's contactless health monitoring technology has been instrumental in early detection of health issues, improving patient outcomes and reducing healthcare costs.

5. **Mr. Manish Bhatt** - *Senior Manager Treasury, Whirlpool Corporation*

- **Topic:** Challenges in the Financial Sector and the Role of Treasury
- **Highlights:** Mr. Bhatt explored the financial challenges brought about by the pandemic, including liquidity management, risk mitigation, and regulatory compliance. He highlighted the critical role of treasury functions in ensuring financial stability and supporting business continuity in times of crisis.

6. **Mr. Ajit Chandorkar** - *VP & Head of CE/ Telecom, L&T Technology Services*

- **Topic:** Digitalization of Business Processes and Global Supply Chain
- **Highlights:** Mr. Chandorkar discussed the acceleration of digital transformation across industries, with a focus on the telecom and engineering sectors. He emphasized the importance of leveraging digital technologies to enhance business processes and supply chain management, ensuring operational efficiency and agility in a post-pandemic world.

Key Themes and Sub-themes

1. **Impact of COVID-19 on Business Operations:**

- Discussions on the immediate and long-term effects of the pandemic on various industries.
- Strategies for businesses to adapt and thrive in the new normal.

2. **Digital Transformation and Innovation:**

- Exploration of how digital technologies are reshaping business models and operations.
- Emphasis on the role of innovation in driving business continuity and growth.

3. Challenges in the Financial Sector:

- Analysis of the financial disruptions caused by COVID-19.
- The role of treasury and financial management in navigating economic uncertainties.

4. Health and Technology:

- Insights into the integration of AI and digital health solutions in improving patient care.
- The impact of technology on healthcare delivery and outcomes.

5. Social Impact and Not-for-Profit Organizations:

- Examination of the challenges faced by non-profit organizations during the pandemic.
- Innovative approaches to sustaining social impact and mission-driven activities.

6. Global Supply Chain and Business Processes:

- Discussion on the impact of the pandemic on global supply chains and the need for digitalization.
- Strategies for enhancing supply chain resilience and operational efficiency.

Student Engagement and Learning Outcomes

The summit provided students with a unique opportunity to engage with industry leaders and gain practical insights into the challenges and opportunities arising from the pandemic. Through interactive sessions and discussions, students were able to:

- **Enhance their understanding** of the impact of COVID-19 on various industries and the innovative responses being adopted.
- **Develop critical thinking skills** by exploring real-world problems and solutions in a rapidly changing business environment.
- **Gain valuable insights** into the role of technology and innovation in driving business resilience and growth.
- **Network with professionals** and explore potential career opportunities in their fields of interest.

Key Learning Outcomes:

- **Adaptability:** Understanding the importance of flexibility and adaptability in responding to unforeseen challenges.
- **Innovation:** Appreciating the role of innovation in overcoming obstacles and driving business success.
- **Leadership:** Recognizing the critical role of leadership in navigating crises and fostering a culture of resilience.
- **Collaboration:** The value of collaboration and partnerships in achieving organizational goals and sustaining impact.

Conclusion

The 9th Innovation Summit 2021 at ITM University Gwalior was a remarkable success, providing a platform for meaningful dialogue on the challenges and opportunities presented by the COVID-19 pandemic. The summit highlighted the importance of innovation, adaptability, and resilience in navigating the complexities of the modern business landscape. By bringing together industry experts and aspiring leaders, the event fostered a spirit of collaboration and inspired participants to embrace innovation as a key driver of success in a post-pandemic world.
