Curtain Raiser to the 10th Innovation Summit

We are excited to announce the 10th Innovation Summit, organized by the ITM School of Management at ITM University, Gwalior. The summit will be held online on February 26, 2022, from 10:00 AM to 5:00 PM.

This year's summit focuses on the theme “Post-Pandemic World - Opportunities and Challenges for Businesses.” The event promises to be an insightful and dynamic platform for innovation practitioners from various fields to share their knowledge and experiences. The summit aims to address the issues and challenges relevant to the development of India's knowledge and innovation economy in the wake of the COVID-19 crisis.

As the world emerges from the pandemic, businesses face unprecedented challenges and opportunities. The 10th Innovation Summit aims to provide a forum for thought leaders and professionals to discuss strategies for navigating the post-pandemic landscape. The event will focus on institutional change, innovation, and the role of technology in shaping the future economy. The summit seeks to inspire and equip attendees with the insights needed to thrive in a rapidly changing world by bringing together a diverse group of speakers and participants.

Event Highlights

- Keynote addresses by industry leaders on the post-pandemic business landscape
- Panel discussions on institutional change, innovation, and technology
- Interactive sessions with experts on strategies for future business success
- Networking opportunities with professionals and peers from various sectors

Your participation in this summit will not only enhance your understanding of the current business environment but also provide you with opportunities to engage with thought leaders and industry experts. We encourage all students to attend and make the most of this valuable learning experience. For more information, kindly contact **Mr. Amol Mutatkar**.

Significance of the 10th Innovation Summit

As the world emerges from the pandemic, businesses face unprecedented challenges and opportunities. The 10th Innovation Summit aims to provide a forum for thought leaders and professionals to discuss strategies for navigating the post-pandemic landscape. The event will focus on institutional change, innovation, and the role of technology in shaping the future economy. The summit seeks to inspire and equip attendees with the insights needed to thrive in a rapidly changing world by bringing together a diverse group of speakers and participants.

Event Highlights

The summit features an impressive lineup of speakers who will share their expertise on various aspects of business and technology in the post-pandemic era. Each speaker brings a wealth of experience and knowledge that will provide valuable insights into the challenges and opportunities facing businesses today.

Keynote Speakers and Topics

1. **Mr. Shorya Mahajan** - *Co-Founder and COO, Metadom (formerly Adloid), California-New Delhi*

- **Topic:** Entrepreneurial Innovation in the Post-Pandemic World
- **Highlights:** Mr. Mahajan will share his extensive experience in creating and scaling multiple startups across the technology, media, and real estate sectors. He will discuss how entrepreneurs can leverage innovation to drive economic growth and create new opportunities in a post-pandemic world. His insights will be invaluable for aspiring entrepreneurs and business leaders looking to navigate the challenges of the current landscape.

2. **Mrs. Anagha Wankar** - *HR Director, India and Thailand at Cosma International*

- **Topic:** HR Challenges and Opportunities in the Post-Pandemic World
- **Highlights:** Mrs. Wankar will address the critical HR challenges that organizations face in the aftermath of the pandemic, including remote work, employee well-being, and talent management. With over 25 years of experience in HR, she will offer practical strategies for managing the evolving workplace dynamics and harnessing opportunities to create a more resilient and adaptable workforce.

3. **Mr. Chinmay Athaley** - *Senior Manager, Deep Intent*

- **Topic:** HealthTech Innovations and Their Impact
- **Highlights:** Mr. Athaley, with his extensive experience in the HealthTech sector, will discuss the transformative potential of health technologies and their impact on healthcare delivery. He will explore the benefits and challenges of adopting digital health solutions and share insights into how technology is shaping the future of healthcare.

4. **Mr. Pranav Singh** - *Director - Software Delivery, EchoStar Corporation, Atlanta, Georgia, USA*

- **Topic:** Artificial Intelligence and Digital Transformation
- **Highlights:** Mr. Singh will provide a comprehensive overview of the role of AI and digital transformation in the post-pandemic world. With over 25 years of experience in software engineering and leadership, he will discuss how businesses can leverage AI to enhance efficiency, drive innovation, and create competitive advantages. His talk will highlight the key trends and technologies shaping the business's future.

Key Themes and Focus Areas

1. **Entrepreneurial Innovation:**

- Exploration of how entrepreneurs can drive economic growth and innovation in a post-pandemic world.
- Insights into the challenges and opportunities for startups and small businesses.

2. **Human Resources and Workforce Management:**

- Addressing the HR challenges related to remote work, employee well-being, and talent management.
- Strategies for building a resilient and adaptable workforce.

3. **HealthTech and Digital Health Solutions:**

- The impact of digital health technologies on healthcare delivery and patient outcomes.
- The benefits and challenges of adopting HealthTech innovations.

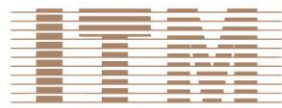

4. **Artificial Intelligence and Digital Transformation:**

- The role of AI in driving business efficiency and innovation.
- Key trends and technologies shaping the future of business and industry.

Expected Outcomes and Benefits

The 10th Innovation Summit aims to provide participants with valuable insights and practical strategies for navigating the challenges and opportunities of the post-pandemic world. The event will offer:

- **Enhanced Understanding:** Participants will gain a deeper understanding of the key trends and challenges shaping the future of business and technology.
- **Practical Insights:** Speakers will share actionable insights and strategies for leveraging innovation and technology to drive business success.
- **Networking Opportunities:** The summit provides a platform for networking with industry leaders, professionals, and peers, fostering collaboration and knowledge exchange.
