12TH INNOVATION SUMMIT
16 MARCH, 2024

A flagship event under the aegis of School of Management & Commerce, offers a platform where innovation practitioners from different walks of life share their insights and experiences.

Industry 6.0 provides a vision of industry that aims beyond efficiency and productivity as the sole goals, and reinforces the role and the contribution of industry to society and it places the wellbeing of the Human Resource at the centre of the production process and uses new technologies to provide prosperity beyond jobs and growth while respecting the production limits of the planet. Industry 6.0 reflects a shift from a focus on economic value to a focus on societal value, and a shift in focus from welfare to wellbeing.

The Summit focuses on the shift of focus from economic value to societal value.

WHO SHOULD ATTEND?
Aspiring entrepreneurs • People working on innovative ideas
Students of all streams • Founders of startups • Industry persons
