

Activity II

CSL 0408

(Basics of Data Science)

Activity type: Research Paper Writing

Individual Activity

Date of declaration 20.01.2024

Last date of Submission: 05.04.2024

Mode of submission: online & Hard Copy

Maximum marks: 15

Date of viva : 8.04.2024 to 13.04.2024

Guidelines:

1. Each student must select a topic for Research paper writing from the domain of Recent Trends in Data Science for machine learning.
2. Student must prepare a research article in IEEE Format on the selected topic
(Source : <https://www.ieee.org/conferences/publishing/templates.html>)
3. Each paper should have atleast 20 research paper references, all the refernecees must be cited in IEEE format.
(source : <https://researchmethod.net/references-in-research/>)
4. The article should not be more than 10 pages.
5. All the figures, diagrams, images or tables must also be cited.
6. This is an individual activity so each student has to work on a different topic.
7. The distribution of marks will be as follows :

S.No.	Activity	Date of submission	Marks allocated	Marks valuated out of		
				Submission / viva on time	Submission / viva within one week from due date	Submission/ viva within 2 weeks from due date
1.	Submission of topic	30.01.2024	2	2	0	0
2.	Submission of Introduction	6.02.2024	3	3	2	0
3.	Submission of Article (word file)	05.04.2024	5	5	3	2

4.	Viva	8.04.2024 to 13.04.2024	5	5	3	2
----	------	----------------------------	---	---	---	---

8. The cover page of the file should be designed as follow:

Activity II	
CSL 0408 (Basics of Data Science)	
Research Article	
On	
(..... Topic) 	
Presented by	
(Name of student)	Submitted to
(...Roll Number ...)	Dr. Geetanjali Surange
	Associate Professor

For any queries or doubt please feel free to discuss
