

Report of Industrial Visit

Industrial Visit for ECE and EE students was conducted on April 11, 2023 at Prasar Bharati , All India Radio(AIR), Akashwani Kendra, Gwalior. A group of 27 students from the first, second, and third year and two faculty members, Mr. Shailendra Singh Ojha and Dr. Sadhana Mishra were visited the AIR station at Gwalior. The purpose of the visit was to provide real-life exposure of the industries to the students. In the visit, students visited the talk studio, recording studio, dubbing room, control room, broadcasting wing, technical wing, and other wings. Engineers were present over there explained the concept of AM and FM, broadcasting of programs, and showed the difference between the old and new broadcasting systems. During the visit, various engineers and the Deputy Director Mr. S. K. Shrivastava, were present. This was a great opportunity for students to understand the practical implementation of communication systems and antenna and wave propagation concepts which they are studying in theory.

List of students went for industrial visit

S. No.	Student Name	Department
